AND SNORING ...

PF

Will you be snoring on Valentine's night?

A recent on-line sleep survey conducted by the British Snoring & Sleep Apnoea Association revealed that:

43% of people consider snoring to be the most annoying thing their partner does in bed.

65% of partners have a disturbed night's sleep every night.

A massive 82% of bed partners regularly leave the bedroom because of snoring.

57% of them sleep in another bedroom.

43% of them sleep on the sofa.
